Price on Request (POR)

Price**Wounded animal Terms & Conditions:**

All wounded animals are subject to charge.

A wounded animal is defined by any recovered part (confined hit by ph, horn, bone, skin, meat, blood, stomach contents).

If wounded animals are not found, it will be charged according to the current pricelist - where there is a sliding scale according to horn length you will be charged one up from lowest price on scale (meaning second price on sliding scale)

In case where the horn length is known or has been measured before you will be charged accordingly.

Please note:

50% deposit on hunting fees will confirm your hunt.

No meat may be taken off the property without full payment of R10 per kg.

Meat donations can be made to Boschpoort Predators Non Profit Company

Please make sure you get your removal permit from our reception before exiting the gate.

Gratuities:

No gratuities given to staff directly. Please give to reception for management to divide between the staff to make sure everyone involved from guide, skinner and recovery team get their tip.
